

TRUST

Putting your confidence in someone you can depend on

WEEK **3**
K-1st

BOTTOM LINE: When life doesn't make sense, you can trust God is with you. Read Proverbs 3:5-6

Things I Can Trust

Below is a list of statements. Some are always true and some are never true. Circle the ones that are always true. Check your answers below when you are finished.

- Grass is green.
- The grass will turn purple tomorrow.
- The sun will come out today.
- The sun will never shine again.
- I will not make any mistakes today.
- God loves me no matter what.

Answers: Grass is green. The sun will come out today. God loves me no matter what.

Know that God is the only thing you can trust to always stay the same.

God Makes Sense

Not everything in life makes sense. For example, it doesn't make sense that your best friend moved across the country, or that your pet worm got lost when you know you had it in a safe spot. But, one thing that always makes sense is God.

Read the sentences below and try and make sense of what they should say instead! If you want, make up your own silly sentence on the line below!

1. The blanket went to find a big cat to keep it warm.
2. The sad book went to the library to check out a funny person.
- 3.

Look for ways that God makes sense when nothing else does!

The Best Friend

Although we cannot see God, we know that He is around by how He takes care of us. Talk to God like He is right there with you by saying something like this:

"Dear God, Thanks for being right here with me. I know that you will always do what is best for me, even when it doesn't make sense. Thank You for never leaving my side. Amen"

Thank God that He is always right by your side, all the time.

Road to Straight Paths

Read this week's verse, **Proverbs 3:5-6**.

Grab some play dough or some paper and something to write with. Read the verse above aloud and then use the key words below to create an image using your materials to help you remember the verse.

Create: a heart, a brain for understanding, the letter "O" for obey, a road that is curvy and a road that is straight.

Ask God to help you obey His word and keep you on a straight path.

Draw a picture of God
standing alongside of you.
